EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on January 26, 2005, Ms. Michele Walters requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 19-0741 the required fee and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 34, line 3, between "analog" and the period insert --and a polypeptide having histidine ammonia lyase activity--.

The following is an examiner's statement of reasons for allowance:

The after final amendment and this examiner's amendment overcomes all of the previous rejections.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
